

What can you expect from U.K. Elite Soccer?

Professional Development: We are committed to excellence. We will improve you as a coach – regardless of your experience or ability. Our Directors and Management are very ‘hands on’. You will receive practical, tangible feedback and will learn with and from the very best managers in the company. We are focused on your improvement and our professional development team is second to none.

Wide Range of Opportunities: Throughout the course of your contract you will work with Boys & Girls from absolute beginners to 18 year old select level teams. We provide the best possible opportunity to coach soccer in a professional, educational environment.

Attractive Employment Package: We recognize that moving to a new country can be a daunting prospect – and we design our contracts to be as employee friendly as possible. We make your move to the USA simple.

U.K. Elite provide round trip flights to the USA plus visa fees or visa support for all overseas staff. We also provide accommodation – including payment of all bills and utilities; transportation – including payment of all petrol; Top-of-the-Line Reebok coaching equipment and apparel; hands on support and daily interaction with management.

All candidates must apply online at
